

# BSB FALL BALL RULES

REVISED 07/2023

## GENERAL INFORMATION

The following rules supplemented by the Blue Springs Baseball rulebook, shall govern the play and conduct of the teams and team officials in all division games played under the supervision of Blue Springs Baseball. These rules have been drawn up in accordance with the purpose and ideals of Blue Springs Baseball as set forth in Articles of Incorporation and By-Laws and shall have as their basis, the development and teaching of good sportsmanship and play. It will be borne in mind that the Blue Springs Fall Baseball Program has been instituted for the development of all players participating. This "development" ideal has been used in making these rules. Blue Springs Baseball recognizes that there may be so called "loopholes". When such loopholes are causing any individual player or team to lose a protest or defense, on merely a minor technical point, which is contrary to tradition, fair play or good sportsmanship, the spirit of development will be considered. The use of Blue Springs Baseball rulebook is also to be used as a supplement. The rules contained herein shall be in effect until such time as they have been revised and adopted by the Blue Springs Baseball Board of Directors.
